TITLE AND AUTHOR INDEX TO VOLUME 16 (1971)

TITLES

An Aid to Percutaneous Arterial Puncture, Tahir AH, George RB, Jul–Aug p. 153.

Allied Health Manpower—Directions for the 1970's and 1980's, Hatch TD, Jan–Feb p. 7.

Automatic Filling Device for Puritan Nebulizer, Newell TF, Sep–Oct p. 220.

A Basic Breathing Circuit for Use with Three Different Volume-Limited Ventilators, Haines GE, Ciarcia M, Nov–Dec p. 281.

Blunt Chest Trauma Treated with Continuous Positive Pressure Breathing, Masferrer R, Robertson JK, Sep–Oct p. 231.

Breathlessness in Southern Appalachian Coal Miners, Rasmussen DC, Mar–Apr p. 49.

Buyer's Guide to Respiratory Care Products, Nov–Dec p. 311.

Disposable Cup for DeVilbiss Ultrasonic Nebulizer, Moore RE, Jan–Feb p. 11.

The Effects of Augmented Breathing Maneuvers on Ventilation in Severe Chronic Airway Disease, Petty TL, Guthrie A, May–Jun p. 104.

Effects of Positioning of Nasal Cannulae on Efficacy of Oxygen Therapy, Nicogossian A, Chusid EL, Miller A, Jul–Aug p. 171.

Essentials of an Intensive Respiratory Care Unit, ACCP Committee on Emphysema Sep–Oct p. 251.

Expanding the Choice of Oxygen Concentrations with Early Model Bennett MA-1 Ventilators, Tyvan R, Wittenberg V, Sep–Oct p. 217.

Explosion of an "A" Size Gas Cylinder, Cross A, Jan–Feb p. 1.

High Oxygen Concentrations in Improperly Assembled Ohio Deluxe Nebulizers, Katz SG, Powers WE, May–Jun p. 113.

Hospital Administration Views Four Inhalation Therapy Myths, Foreman WD, Sep–Oct p. 213.

How I Wanted to be Treated, Barham VZ, May–Jun p. 115.

Iatrogenic Pseudomonas Pneumonia with Abscess Formation, Durham MD, Johnston FF, May-Jun p. 128.

Improvement in Oxygenation in the Adult Respiratory Distress Syndrome by Positive End-Expiratory Pressure (PEEP), Petty TL, Nett LM, Ashbaugh D, Jul–Aug p. 173.

Inspired, Arterial, and Mixed-Venous Oxygen Tensions: Getting It All Together, Ayres SM, Sep–Oct p. 224.

Is Positive Pressure Breathing Over-rated? Noehren TN, Jan-Feb p. 3.

Let's Teach Students About the Role of Oxygen in Metabolism, Stoltzfus G, Jul–Aug p. 161.

Licensure for Allied Health Workers in Respiratory Therapy: A Resolution, Ad hoc Committee from ACCP-ASA-ATS Sep-Oct p. 255.

Licensure of Health Occupations, AMA Council on Health Manpower, Sep–Oct p. 235.

Method of Achieving Positive End-expiratory Pressure (PEEP) with Bennett PR-1 and PR-2 Respirators, Nuerenberg DV, Kassow EA, Nov–Dec p. 284.

Modification of the Bird Mark 7 Respirator for Attachment of Pressure-Sensing Alarms, Lehmus JA, Jul–Aug p. 155.

Modification to Control Pediatric Oxygen Concentration with the Emerson Post-Operative Ventilator, Koss JA, Jenicek JA, Allen CR, Alvarez FE, Sep–Oct p. 218.

Modifications of the Engstrom Respirator, Scully EA, Seelbach RT, Jul–Aug p. 159.

A New Use for Pasteurization: Disinfection of Inhalation Therapy Equipment, Nelson EJ, Ryan KJ, May–Jun p. 97.

A Procedure for Periodic Deflation of Endotracheal Cuffs of Patients on Controlled Ventilation, Demers RR, Saklad M, May–Jun p. 119.

Psychological Weaning of a Pediatric Patient from Artificial Respirators, Schneider SN, Gallico MW, Franz MN, Jan–Feb p. 13.

A Quick, Simple, and Accurate Method of Calibrating the Puritan Adjustable Immersion Heater, Sullivan MA, Jul–Aug p. 163.

Respiratory Failure in the Coronary Care Unit, Petty TL, Char DC, Nov–Dec p. 292.

Safe Use of Ethylene Oxide Sterilization in Hospitals, Rendell-Baker L, Roberts RB, Mar-Apr p. 37.

State Licensure of Inhalation Therapy Practice, AAIT Statement, Sep–Oct p. 249.

Statement on Licensure of Health Care Personnel, American Hospital Association, Sep–Oct p. 243.

Striving for Professionalism, Whitacre JF, Nov–Dec p. 277.

The Team Concept in a Respiratory Therapy Department Organization, Goodpasture J, Jul–Aug p. 165.

Training Respiratory Therapists in Emergency Endotracheal Intubation, Bryan HJ, Andree RA, Jul–Aug p. 157.

Tuberculosis in New York City, NYC Dept of Health Report, Mar–Apr p. 54.

Unions, Licensure, Education and Re-organization, Liverett JA, Sep–Oct p. 205.

Utilization and Preparation of Personnel to Deliver Health Care, Kerr EE, Mar–Apr p. 41
